### D-6. Counseling, Retraining, Retesting/REA, and Appeals Policy

- a. At a minimum, Soldiers will be counseled using DA Form 4856, referencing assessments as appropriate, on the following events:
  - Reception and integration
  - Any failure of an assessment and/or graduation requirement
  - Any violation of student conduct, SHARP, or local policy
  - End of course results
  - Recommendation for dismissal or dis-enrollment
  - Dismissal
- b. Remedial Educational Assessments (REA) are necessary when Soldiers/students fail an assessment. Soldiers are strongly encouraged to conduct their own collaborative sessions/study halls, if not mandated to do so.
- c. Remedial Educational Assessments will occur anytime a student fails an assessment for the first time except for the 1009C Assessing Contribution to Group Work and the 1009L Assessing Leadership. Soldiers who fail a REA will be recommended for dismissal. The NCOA deputy commandant is the dismissal authority and the commandant is the appellate authority for all dismissals. Facilitators will conduct the REA after necessary retraining/study hall. Any REA should be accomplished outside of the course hours to preclude the student missing any scheduled classes. The following restrictions listed below must be imposed:
  - Height/Weight failure: Soldiers are allowed one re-screening. The re-screening will be administered no earlier than seven days after the initial height/weight assessment
  - APFT failure: Soldiers are allowed one retest. The retest will be administered no earlier than seven days after the initial height/weight assessment
  - Soldiers who meet academic course requirements, but fail to meet the APFT and/or height and weight standards will be dismissed from the course
  - NCOA commandants will not add to the standards of AR 600-9 by imposing any arbitrary percentages to the body fat composition
- d. Appeals will be forwarded to the school commandant who will refer the proposed action and the appeal to the Office Staff Judge Advocate (OSJA) to determine legal sufficiency of the dismissal decision. All appellate actions will become part of the student's case file. Commandants will make their final decision on dismissals after considering the supporting OSJA recommendation. In cases where an OSJA is not available, the commandant will forward appeals to the commander who has general court-martial convening authority for review and final decision; general court-martial convening authorities will obtain a legal review before final action.

**NOTE:** Soldiers who elect to appeal will remain actively enrolled in the course pending disposition of their

appeals. In cases where the decision of the appeal is delayed, Soldiers will participate in graduation ceremonies; however, the DA Form 1059 and diploma will be withheld until final adjudication.

e. Dismissals for misconduct, lack of motivation, academic deficiency, or failure to maintain physical readiness or body composition standards will be recorded on the individual's DA Form 1059, if applicable, in accordance with AR 623–3. Foreign student dismissals will be handled in accordance with AR 12–15.

References: AR 350-1; TR 350-18; AR 40-501; and AR 600-9

### **D-7. Re-enrollment Policy**

a. Soldiers disenrolled from BLC for disciplinary or motivational reasons will not be eligible for further NCOES training for a period of 6 months. Soldiers dismissed from BLC for academic deficiency may apply to reenter and be re-scheduled for the course when both the unit commander and the learner or Soldier determine that they are prepared to complete the course.

Reference: AR 350-1, page 59, paragraphs 3-15f(3) and (4)

- b. Soldiers may be released from the course without prejudice for illness, injury, compassionate, or other reasons beyond the student's control. This requires a written notice informing the unit that the Soldier may re-enroll as soon as the reason for disenrollment or dismissal is overcome.
  - c. Soldiers previously dismissed from BLC and allowed to re-enroll must start the course from the beginning.

### **D-8.** Course Attendance Requirements

NCOA commandants will consider disenrollment for those Soldiers who have missed classroom instruction that cannot be made up, on a case-by-case basis. Soldiers cannot miss any graduation requirements.

### **D-9. Student Recognition**

- a. Present all Soldiers who meet course completion criteria with a diploma. IAW AR 350-1, para 3-25, diplomas, at a minimum, must contain the:
  - Course title
  - Course identification number
  - Student's full name and rank
  - Beginning and completion dates
  - Academic hours
- b. Soldiers competing for selection to SGT do not receive promotion points for completion of the BLC (BLC completion is a requirement to fully qualify for promotion to SGT). However, commandants will recognize the following graduates in support of AR 600-8-19, para 3-18a(2), which awards promotion points for the following:
  - Distinguished Honor Graduate (40 promotion points)
  - Distinguished Leadership Graduate (40 promotion points)
  - Commandant's list (20 promotion points)
- c. Commandants may issue other types of recognition/certificates in addition to the above. Enter all recognitions/awards on the DA Form 1059.

### D-10. American Council on Education/College Credit

Currently, the American Council on Education (ACE) recommends that graduates of the previous version of the Basic Leader Course receive, in the lower-division baccalaureate/associate degree category, 3 semester hours in supervision. This version of BLC has not yet been evaluated by an external institution.

### D-11. Assessment - 1009C Assessing Contribution to Group Work

  - (c) 90-100% (472.46 525) rates "Superior."
- d. Environmental considerations: Inform Soldiers of any known environmental factors they must observe IAW local SOP.
  - e. Safety: Ensure Soldiers observe all safety procedures IAW local SOP.
  - f. See next page for rubric.

### D-12. Assessment - 1009L Assessing Leadership

Overview: The tenets of Army leader development provide the essential principles that have made the Army successful at developing its leaders. The tenets also provide a backdrop for the Army principles of unit training. The overarching tenets of Army leader development are —

- Strong commitment by the Army, superiors, and individuals to leader development
- Clear purpose for what, when, and how to develop leadership
- Supportive relationships and culture of learning
- Three mutually supportive domains (institutional, operational, and self-development) that enable education, training, and experience
- · Providing, accepting, and acting upon candid assessment and feedback
- a. Personnel, equipment, and materials required:
  - Personnel: Number of Soldiers to assess: 1:8-10; per facilitator
  - Equipment: As required to effectively conduct training assignment
  - Materials: As required to accomplish missions and provide for the welfare of the team and individual student

### b. Instructions to Soldiers:

- 1. Although it is difficult to thoroughly assess true leadership abilities in a 22 day classroom environment, you will be observed and assessed throughout the course. You are expected to be "formal and informal" leaders throughout the course as well and set a good NCO example for others. The leadership assessment measures Soldiers on their leadership attributes and competencies IAW the Leadership Requirements Model (LRM) in FM 6-22. This assessment is non-GPA, but will be assessed as a demonstrated ability.
- 2. You derive your non-GPA score IAW the assessment rubric provided. The following ratings apply toward the rating in Block 12d on your DA Form 1059, Service School Academic Evaluation Report:
  - (a) Superior Rating = At least 5 out of 6 areas rated "Sup" with no "Unsat" ratings
  - (b) Satisfactory Rating = At least 5 out of 6 areas rated "Sat" with no more than 1 area rated "Unsat"
  - (c) Unsatisfactory Rating = 2 or more areas rated "Unsat"
- c. Environmental considerations: Inform Soldiers of any known environmental factors they must observe IAW local SOP.
  - d. Safety: Ensure Soldiers observe all safety procedures IAW local SOP.

# **What Does Your Score Mean?**

6 – Advanced	In addition to the "Proficient" criteria, "Advanced" writing shows clear and consistent mastery of the standards and techniques. Work product is high quality, completely error-free, and exceeds all requirements.  **Behavioral indicators include:**  • 80 – 100% of the document reflects the overall purpose, minus minimal deviations to display data.  • Title incorporates the argument or report issue, using key words defined in the paper.
5 – Proficient	Demonstrates the Army writing standard or technique accurately and efficiently. Work product is high quality, nearly error-free except for minor or debatable stylistic mistakes. Addresses the issues of the assignment.  Behavioral indicators include:  Strong analytical reasoning or organization; for arguments, this demonstrates a thorough understanding of all sides of an issue without losing focus of the paper's argument.  Varied word choice, grammatical constructions, and sentence structure (as appropriate).  Vocabulary appropriate for audience and technical information.
4 – Competent	Fully qualified in the Army writing standard or technique with reliable execution. Work product achieves requirements suitable for the training environment with few patterns of error.  Behavioral indicators include:  Establishes a single, sustained focus throughout with logical flow and transitions.  All of the information supports the main idea  Vocabulary appropriate for audience and technical information
3 – Developing	Demonstrates the Army writing standard or technique, though performance may be inconsistent throughout the document. Has several, repeated patterns of error that would be unacceptable in the field.  *Behavioral indicators include:  *Commits several stylistic, rather than grammatical errors (e.g. sentences are grammatically correct, but could be more concise; author uses passive voice correctly, but could rewrite the sentence more clearly in active voice).  *A pattern of sloppy execution – usually no more than 2-3 errors executed correctly in parts of the assignment and incorrectly in others.
2 – Learning	Attempts, but does not correctly demonstrate the Army writing standard or technique. Work product shows deviation from the assignment requirements or inability to achieve them between 50-75% of the paper content.  *Behavioral indicators include:  • Excessive but consistent errors in spelling, punctuation, grammar, formatting or citation.  • Missing or does not execute key concepts; for example, relying on opinion and summary rather than analysis in an argument.
1 – Beginner	Beginner-level writing struggles to demonstrate the Army writing standards and techniques. Writing may show serious deviations in standard formatting, frequent patterns of error in sentence construction, spelling, grammar, and mechanics consistent with a raw draft.  Behavioral indicators include:  Disorganized, erratic errors in spelling, punctuation, grammar, formatting or citation.  Internal paragraph or sentence structures lack coherence (for example, switching topics or interjecting new information mid-paragraph, or changing from plural to singular subjects in a sentence)
