

Box it – Place in original box if applicable.

Mark it – Label the box as "Used Toner"

Drop it – Leave the boxes in your mailroom. USPFO "Big-D run" will pick up on a weekly basis.

hs

This year an estimated

toner cartridgres will be

disposed of in landfill

sites around the world.

a billion

Each toner cartridge that ends up in a landfill constitutes 3.5 pounds of solid waste that will take up to 1000 years to fully decompose

Toner cartridges can be recycled

up to 4 times, massively reducing

the amount of environmental harm

from both manufacture and

end-of-life disposal.

Do you have used ink & toner cartridges?

Contact the LAARNG QRP Manager to schedule a pickup at your location. Ask about the variety of other items that the LAARNG recycles under the Qualified Recycling Program.
