CHAPTER 1 GENERAL

INFORMATION 1-1. COURSE OVERVIEW:

The Basic Leader Course (BLC) is an Institutional first step in the Noncommissioned Officer Professional Development System (NCOPDS). BLC is a 22-academic day course consisting of 169 academic hours. Instruction at the BLC is accomplished through the use of the Army Experiential Learning Model (ELM) methodology. Lessons are facilitated in a small group setting with a collaborative approach, which allows the Soldiers to discover information and then apply it to new and ambiguous situations. BLC is designed to build basic leader and trainer skills needed to lead a team size element; while providing the foundation for further development along the Professional Military Education (PME) continuum.

1-2. CURRICULUM:

The BLC focuses on six NCO Common Core Competencies. These competencies are: Readiness, Leadership, Training Management, Communication, Operations, and Program Management. The BLC is conducted in four phases with three rotations: Foundations (Base Group), Leadership (1st Rotation), Readiness (2nd Rotation), and Assessment (3rd Rotation returning to Base Group). Soldiers will rotate to a new classroom with new facilitators at the beginning of each phase. Facilitators assess Soldiers' leadership ability and potential through observing discussions and interactions. Lessons include critical and creative thinking activities and exercises, which aid in learning.

1-3. DUTY UNIFORM:

The duty uniform for the BLC is the OCP with Patrol Cap. Uniform and grooming standards will be enforced IAW AR 670-1. A complete Army Physical Fitness Uniform (APFU) is required IAW the NCOA training schedule. See packing list.

1-4. PRIVATELY OWNED VEHICLES (POV):

All POVs must meet post and state safety inspection and registration requirements. POVs will be inspected by NCOA Cadre during in processing on report day (Day 0). Soldiers who drive their POVs and fail inspection will not be allowed to utilize their POV for off-post travel during the course until the deficiency noted is in compliance.

1-5. RELIGIOUS SERVICES:

A chapel is available on post. Times for worship are available, when possible, IAW the training schedule. Students are provided an opportunity to worship on their own in the absence of a Chaplain. Students are responsible for making up any material/information missed.

1-6. CELL PHONES:

Students may bring personal cell phones; however, they can only be used during break, personal time and/or in the designated break areas. Text messaging on classroom breaks is permitted in the classroom, but all phone calls will be in the designated break areas. Cell phones may be carried and used as necessary when directed by NCOA leadership. At no time are cell phones allowed during assessments.

1-7. VALUABLES:

You are reminded that the safekeeping of valuables is a personal responsibility. It is recommended that high dollar personal valuables not be brought to the NCOA. If valuable items are brought they must be secured in your assigned wall locker at all times. The academy will not be responsible if they are taken.

1-8. LAUNDRY:

Washers and dryers are provided for students' use in BLDG 4303. The use of liquid detergent is strongly recommended. Powder detergents may clog the machines and result in washing machine damage. The laundry room will be cleaned daily as per the Barracks Standard Operating Procedure (SOP).

1-9. MEDICAL TREATMENT:

Students needing to go on sick call will report to their Facilitator (FAC) to receive a sick call slip. Sick call is conducted every day from first formation through breakfast in the medical clinic in BLDG 4402. Students are to report to a Senior Facilitator (SFAC) immediately after seeing the medic on duty. Those needing further medical attention outside the scope of the medics on Camp Cook will be taken to urgent care or emergency room. Travel orders and CAC are required if taken to another medical facility for care. Students needing medical attention after duty hours will report to the SDNCO located in BLDG 4101.

1-10. PHYSICAL PROFILES:

1. Soldiers with medical profiles due to an operational deployment will be permitted by their immediate commander to attend appropriate courses (to include PME) within the guidelines of their profile. Soldiers must arrive at the aforementioned course of instruction with a copy of their current profile and memorandum signed by their commander stating the profile has been continuous and is a result of injuries sustained due to an operational deployment.
2. Soldiers with temporary profiles preventing full participation in a course that are not a result of operational deployment, will be removed or deferred from school attendance consideration by their immediate commander, until the temporary profile is removed or the student can complete all course graduation requirements.
3. Soldiers with a permanent designator of "2" in the physical profile must include a copy of DA Form 3349 (Physical Profile) as part of the course application. They will be eligible to attend courses (to include PME) and train within the limits of their profile, provided they can meet course graduation requirements. Soldiers with a permanent designator of "3" or "4" in their physical profile must include a copy of DA Form 3349, and the results of their MOS Administrative Retention Review as part of the course application.
4. Soldiers who have been before a MOS Administrative Retention Review and retained in their MOS or reclassified into another MOS are eligible to attend appropriate courses (to include PME) and train within the limits of their physical profile (DA Form 3349). Commandants will not disenroll or deny enrollment of Soldiers into the course based on physical limiting conditions on their physical profile, IAW MOS Administrative Retention Review adjudication.

5. Pregnant Soldiers: Soldiers who are pregnant prior to the course may not attend BLC until medically cleared. A Soldier who is diagnosed as pregnant while attending BLC may continue, provided written documentation from the doctor states she can participate in all course physical requirements. Soldiers medically dis-enrolled for pregnancy after enrollment are eligible to return to the course when medically cleared.

6. NCOAs will deny enrollment to Soldiers failing to meet any one of the above prerequisites. NCOA commandants will not supplement these mandatory enrollment requirements.

1-11. REQUIRED DOCUMENTATION:

Anyone reporting without required documents must obtain them within 72 hours. Documents not submitted within 72 hours could result in the student being dismissed from the course. CHAPTER 2 STUDENT ADMINISTRATION

2-1. STUDENT CONDUCT:

The NCOA trains and enforces the standards of the United States Army as prescribed by appropriate regulations, traditions, and directives. It is the student's responsibility to maintain this standard during the course of instruction and throughout their military career. While on and off duty, students will maintain high standards of appearance and conduct. Misconduct of any type, no matter how small, may result in immediate disciplinary dismissal from the course.

2-2. FRATERNIZATION AND HARASSMENT (ZERO TOLERANCE):

Fraternization: Acts of sexual intercourse, sexual intimacy, or other physical touching of a romantic or sexual nature, or public displays of affection among/between students and/or staff members of the same or opposite sex on or off post, during or after duty hours; any other acts of association by or between staff members and students whether on or off post, during or after duty hours, which, pursuant to Article 134, UCMJ, are prejudicial to good order and discipline tend to bring discredit to the NCOA and the NCO Corps.

Harassment: Harassment of individuals on the basis of their sex, race, color of skin, age, disability, national origin, religion, or creed is a violation of the Civil rights Act of 1964.

Harassment violates the fundamental policy to provide equal opportunity and equal treatment to personnel. Military personnel have a grave responsibility under the policies of the Department of Army, the Federal Code of Ethics and the Civil Rights Act for maintaining high standards of honesty, integrity, impartiality, and conduct to assure proper performance of the government business and the maintenance of public interest.

Sexual Harassment: Sexual harassment is a form of sexual discrimination, it is illegal; and it will not be tolerated at the NCOA. It is a form of misconduct that requires personal awareness and attention of every member of the Chain of Command. Sexual harassment involves unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Each complaint of sexual harassment, as any complaint of discrimination will be given prompt attention, treated objectively, and resolved where possible at the lowest level of management. Any person, who believes that he or she has been the victim of sexual harassment, or who has any knowledge of that kind of behavior, is urged to report such conduct immediately through the chain of command.

Personal conduct which violates these policies or standards will not be tolerated.

2-3. BILLETING / BARRACKS:

The NCOA provides billeting at no cost to the Soldier. Billeting is **not** available for spouses, sponsors, or anyone not attending BLC. Guidance regarding barracks will be received upon arrival to the course.

2-4. STUDENT ASSIGNMENT:

During in-processing students are assigned a study group number and a squad number. It is very important that the study group number, squad number, rank, and name are on all correspondence while at the academy.

2-5. UNIFORM AND EQUIPMENT:

You are required to have identified items of clothing and equipment in your possession while at the academy (see Appendix A, Packing List). Students missing equipment will have 72-hours to secure missing items from their unit. The uniform for each day is indicated on the training schedule. The assigned student leadership will be informed of any uniform changes during their daily meeting with the SFACs. Proper attire can will be worn after duty hours IAW AR 670-1. Civilian clothes are authorized upon release for the duty day and when traveling off post during Commandant's time.

2-6. TRAINING SCHEDULE:

- b. Cadre are in charge of any marching element movements.

2-8. SAFETY:

- a. SAFETY IS FORCE PROTECTION: Force protection must be an integral part of mission accomplishment by including risk assessment and risk management in the decision making process. Risk assessment/management eliminates unnecessary risk, minimizes fratricide, and avoids accidental injury to Soldiers and damage to equipment. Force protection responsibilities continue around the clock, both on and off duty.
- b. Safety in training and training safely are not synonymous. NCOA will achieve safe training by integrating safety in their planning, development, and conduct of training IAW FM 5-19 and ADP 7-0. NCOA cadre and students must recognize unsafe behavior while making prudent risks decisions and developing operational processes to minimize hazards and adjust training schedules as needed.
- c. Training safety consists of three interlocking tiers.
 - 1. Tier 1-The commandant validates soundness of training and evaluates plans for safety and resolving safety issues.
 - 2. Tier 2-The first line leader identifies necessary actions by responsible individuals, establishes a system to monitor training safety, and focuses on adherence to standards.
 - 3. Tier 3-Individual Soldiers look after themselves and others. They know how to recognize unsafe conditions and acts.

2-9. CLASSROOM PROCEDURES:

- a. The FAC at the beginning of the class establishes classroom norms. While the emphasis of classroom conduct is to foster the best learning environment conducive to learning, students are expected to maintain professional discipline and military bearing at all times. Classrooms are maintained in a high state of organization, cleanliness, and repair at all times.
- b. Students are provided in depth guidance relating to Centers of Army Lessons Learned (CALL) and Operational Environment (OE). Students will receive a 30 minute informative briefing on OE. The FAC will post an OE topic on the Blackboard discussion board. Students are required to submit one weekly response to the FAC's OE post and one weekly response to a fellow student's post while attending BLC.

2-10. SPECIAL INSTRUCTIONS:

- k. No tobacco products are allowed in the barracks or classrooms.

2-11. CRIME PREVENTION:

Crime prevention is the responsibility of all personnel assigned to the academy. Individuals are responsible for providing adequate locks for their wall lockers and duffel bags and must keep them locked when not in use. Individuals should not bring high dollar items (\$50.00 value or more). In the event of a break-in or theft, the individual suffering the loss should immediately report the loss to the SDNCO or other Cadre member and give all the details pertaining to the loss. Force Protection is not notified without permission from the BLC Chief of Training, Deputy Commandant or Commandant except in cases of extreme emergency.

2-12. SOLDIER'S TIME / LIGHTS OUT:

Students are expected to use this time to study, prepare their uniforms, equipment, and other training resources for the next day's training. Student leaders can use this time to disseminate squad information and to plan for upcoming events or tasks. **Lights out** is at **2300 hours** each night. The bay lights must be turned off at this time. Students that wish to continue studying can use the dayroom or the study room.

- c. Checks the squad/team at all formations to ensure that all members are present, and in the proper uniform.
- d. Have 100% accountability of squad/team members at all times.
- e. Performs additional duties as directed by cadre.

f. All students must ensure that tasks are accomplished according to standards and strictly adhere to instructions from the student leadership. Students performing assignments in leadership positions must ensure that they are familiar with the duties required of the position to which they are assigned. Full cooperation of students is required at all times. **Disobedience or failure to respond to orders issued by a student leader could result in a disciplinary release from the course.** The students in leadership positions must bring any disobedience or noncompliance situation to the attention of the NCOA leadership.

CHAPTER 4

ACADEMY STANDARDS AND EVALUATION

4-1. STANDARDS AND CONDUCT:

The NCOA is dedicated to the principle of leadership by example.

a. Military Courtesy: Students are to maintain the highest standards of military courtesy while at the NCOA. All Soldiers at the NCOA will extend the appropriate greeting or courtesy to any officer or NCO. Any acts of insubordination or disrespect towards cadre, staff, or students could result in a disciplinary dismissal from the course.

b. Personal Appearance: You are required to attain and maintain a high standard of appearance at all times. Strict adherence to standards outlined in AR 670-1. **There are no exceptions.**

4-2. HONOR CODE:

a. The concept of the Honor Code among Soldiers evolved centuries ago when individuals first banded together in order to establish a system for defending their land and property. Through the years, service members have grown from small bands into well-organized groups. In all such groups, leadership positions and Honor Codes have developed with them. The leaders established guidelines and regulations that were carried out and enforced by their subordinates.

b. Subordinates also rely on the honesty and integrity of their leaders. This situation persists in our present day Army. Leaders still rely on the honesty and integrity of the Soldier, and their word is accepted as truth. However, if their actions are such that their honesty and integrity may be questioned, the leader not only jeopardizes their position and status, but the integrity of other leaders and therefore violations will not be tolerated.

c. The basic concept of the Honor Code is that a Noncommissioned Officer does not lie, cheat, or steal. In its most practical application, it means that an individual's word is their bond. Attendance reports are presumed to be correct since Noncommissioned Officers render them. During performance evaluations or classroom work, the student work must be their own.

1. THE CODE:

(a) As a leader and student at the NCOA, I will always tell the truth and keep my word.

(b) I am above dishonesty, cheating, quibbling, evasive statements, and tricky verbiage.

(c) I will always respect the property and rights of others and the government.

(d) I am aware that my signature is my bond.

(e) If I violate the Honor Code, I expect neither immunity nor special consideration.

I am honor bound to report any breach of honor that comes to my attention.

2. **RESPONSIBILITY:** The Honor Code belongs to the students of the NCOA and compliance to the code is the responsibility of each individual. The honor system does not cease with academic honor and integrity. It also applies to observance and adherence to the rule or regulation set forth by this Academy. To knowingly violate a rule or regulation, whether or not this violation is discovered, is a discredit to your own word of honor. It is your responsibility as a student to immediately report any violation of the honor system directly through the chain of command. Your failure to assume the responsibility of reporting violations of this Honor system could result in your elimination from the course.

(a) Those that observe an honor code violation and do not report it are also guilty of an honor code violation.

(b) Violations of the Honor Code can result in dismissal from the Academy and an adverse remark placed on your DA Form 1059.

(c) **HONOR CODE VIOLATIONS:** The following procedures are used to investigate suspected violations of the Honor Code.

a. Incidents are reported to the Chief of Training through the chain of command.

b. The Chief of Training will submit his recommendation to the Commandant for actions as deemed appropriate.

4-3. GRADUATION CRITERIA AND REQUIREMENTS:

The graduation requirements are shown in the two tables below. The tables also indicate if the assessment is part of the student's GPA or not. If a student fails any initial assessment, he or she will be counseled and retrained. Any Soldier that fails an initial assessment will take a Remedial Educational Assessment (REA). The highest final grade for an assignment a student can obtain on a REA is 70% (regardless of the score obtained) Soldiers who fail a REA will be recommended for academic dismissal from the course.

Assessment Title	Associated Lesson	Grade Point Average
1009S Public Speaking and Information Briefing	B104	GPA
1009W Assessing Writing, Compare, and Contrast Essay	B112	GPA
1009W Assessing Writing, Informative Essay	B103	GPA
Conduct Individual Training Rubric	B116	GPA
Conduct Physical Readiness Training Rubric	B111	GPA
Conduct Squad Drill Rubric	B114	GPA

There are six assessments that are mandatory and graduation requirements, but do not count toward the student GPA as shown in the table below.

Assessment Title	Associated Lesson	Grade Point Average
Compliance with the Army Body Composition Program	In-processing	Non-GPA
The Army Physical Fitness Test (APFT)	B123	Non-GPA
1009A Assessing Attributes and Competencies	Entire Course	Non-GPA
1009W Special, Assessing Reflective Writing	B122	Non-GPA
1009W Special, Resume	B117	Non-GPA
SHARP Essay (Commandant's Writing Award)	B100	Non-GPA

4-4. RETRAINING AND REMEDIAL EDUCATIONAL ASSESSMENT (REA):

Reassessments will occur anytime a student fails an assessment for the first time except for the 1009A – Assessing Attributes and Competencies. Soldiers who fail any reassessment will be recommended for dismissal. Soldiers are strongly encouraged to conduct their own collaborative study sessions, if not mandated to do so. The Deputy Commandant is the dismissal authority and the commandant is the appellate authority for all dismissals. Facilitators will conduct the reassessment after necessary retraining/study hall. Reassessments will be conducted IAW the training schedule outside of normal course academic hours. Regardless of the score on a retest, the student will receive a score of 70% for GPA computation purposes. The following restrictions listed below must be imposed:

- a. Height/Weight failure: Soldiers are allowed one re-screening. The re-screening will be administered no earlier than seven days after the initial height/weight assessment. Failure of initial height and weight screening will result in a counseling and removed from all academic honors. If a student passes the re-screening, the highest rating they may receive on the 1009A for Presence and Comprehensive Fitness is a MET STANDARDS
- b. APFT failure: Soldiers are allowed one retest. The retest will be administered no earlier than seven days after the initial APFT assessment
- c. Soldiers who meet academic course requirements, but fail to meet the APFT and/or height and weight standards will be dismissed from the course
- d. NCOA commandants will not add to the standards of AR 600-9 by imposing any arbitrary percentages to the body fat composition

4-5. DA FORM 1059 Service School Academic Evaluation Report (AER):

NCOAs must prepare an AER, DA Form 1059, for each student upon successful completion, or up to the point of dismissal from the course. Comments on the DA Form 1059 will match those found on the Soldier's DA Form 4856 (Developmental Counseling Form) as maintained by the school.

- a. Commandant's List (Limited to 20% of class enrollment): To be considered for the top 20% a student must pass all initial assessments; receive a cumulative attributes and competencies score of 480 or higher of a possible 600 points final rating from the 1009A; pass U.S. Army fitness requirements during the course; and receive no negative counseling. This percentage includes the distinguished honor graduate and honor graduate.

b. Superior Academic Achievement (Limited to 21%-40% of class enrollment): Student must pass all initial assessments; receive a cumulative attributes and competencies score of 480 or higher of a possible 600 points rating from the 1009A; pass U.S. Army Fitness requirements during the course; and receive no more than one adverse counseling.

NOTE: Failing any assessment removes a Soldier from eligibility of Commandant's List or Superior Academic Achievement.

c. Achieved Course Standards. Student must pass each assessment with a 70%; receive a cumulative attributes and competencies score of 420 or higher of a possible 600 points final rating from the 1009A; and pass U.S. Army fitness test requirements during the course.

d. Failed to Achieve Course Standards. Students who receive any "Did Not Meet Standards" assessment within PART II, (blocks f. thru k.) may be assessed as a "Failed to Achieve Course Standards" or "Achieved Course Standards" within PART III-Overall Academic Achievement section of the AER DA Form 1059. A box check selection of "Achieved Course Standards" in this instance requires an explanation in the comment area.

e. Students who received any "Did Not Meet Standards" assessment within PART II, blocks f through k may only be assessed as a "Failed to Achieve Course Standards" or "Achieved Course Standards" within PART III, Overall Academic Achievement section of the AER DA Form 1059. A box check selection of "Achieved Course Standards" in this instance requires explanation in the comments area. If the student fails to meet course requirements as identified in the course grading plan, the reviewing official will place an "X" in the "Failed to Achieve Course standards" box. (AR 623-3, paragraph 3-13e(5)(a)6) Any student receiving two or more "Did Not Meet Standards" rating in PART II, blocks f thru k, will be rated as "Failed to Achieve Course Standards" in PART III, block a.

f. Students who fail any assessment are not eligible for the Commandant's List or the Superior Academic Achievement in PART III block a.

g. Students who receive any adverse counselings are not eligible for the Commandant's List. Students who receive any adverse counselings are not eligible for the Superior Academic Achievement in PART III block a. However, the commandant may withhold the Superior Academic Achievement rating from a student with only one adverse counseling that is more than a minor infraction.

Block c. The reviewer may list up to three future assignments that are relevant to the student's demonstrated aptitude IAW AR 623-3, paragraph 3-13e(5)(a)7.

4-6. STUDENT COUNSELING:

Students will receive the following counseling while attending BLC:

a. Initial Counseling. (Reception and integration) The FAC should determine whether or not a Soldier has any personal problems or outside distractors that would interfere with the course completion.

- b. Any failure of an assessment and/or graduation requirement.
- c. Comprehensive end-of-course developmental counseling: The FAC will consolidate and analyze student assessment near the end of the course and provide students documented feedback in the form of a Developmental Action Plan. The DAP will identify the student's strengths, weaknesses, and developmental needs.
- d. Any violation of student conduct, SHARP, or local policy
- e. Dismissal

4-7. PASS PRIVILEGES:

Passes are NOT granted during attendance at the BLC course unless authorized by the Commandant. Students are authorized to leave post during Commandant's time on most nights during the course. See Appendix E, Commandant's Off Post Policy.

4-8. ATTENDANCE:

NCOA Commandants will consider disenrollment for those Soldiers who have missed classroom instruction that cannot be made up, on a case by case basis. Soldiers cannot miss any graduation requirements.

4-9. ACADEMIC HONOR AND INTEGRITY:

a. The NCO Leadership Center of Excellence (NCOL CoE) and all associated NCO Academies expect all students to abide by ethical and professional academic standards. Academic dishonesty—including plagiarism, cheating or copying the work of another, using technology for illicit purposes, or any unauthorized communication between students for the purpose of gaining advantage during an assessment, or individual work—is strictly prohibited. NCOL CoE's Academic Integrity Policy covers all school-related assessments, quizzes, writings, class assignments, and projects, both in and out of the classroom. The Army professional ethic is expressed in law, Army Values, creeds, oaths, ethos, and shared beliefs embedded within Army culture. It inspires and motivates the conduct of Army Professionals.

b. Plagiarism is not the same as cooperation or collaboration. Facilitators often expect, and highly encourage, students to work on assignments collectively and collaboratively. This is okay, as long as whose work being presented is clearly relayed.

1. **Collaboration** is to work together (with permission) in a joint intellectual effort.

2. **Plagiarism** is to commit literary theft, to steal and pass off as one's own ideas or words, and to create the production of another. When you use someone else's words, you must give the writer or speaker credit (i.e. according to the lesson B103 . . . or according to ADRP 6-0 . . .). See Purdue OWL website for more information on how to avoid plagiarism:

https://owl.purdue.edu/owl/teacher_and_tutor_resources/preventing_plagiarism/avoiding_plagiarism/index.html

Even if you revise or paraphrase the words of someone else, if you copy and paste from another document, if you copy and paste from a prior paper you have written, from a website, or if you use someone else's ideas you must give the author credit. Some Internet users believe that anything available online is public domain. Such is not the case. Ideas belong to those who create and articulate them. To use someone else's words or ideas without giving credit to the originator is stealing.

3. **Cheating** includes, but is not limited to, copying or giving an assignment to a student to be copied (unless explicitly permitted by the facilitator). Cheating also includes using, supplying, or communicating, in any way, unauthorized materials; including notebooks, cell phones, calculators, computers, or other unauthorized technology, during an assignment or assessment.

4. **Forgery or stealing** includes, but is not limited to, gaining unauthorized access to assessments or answers to an exam, altering computer, or grade-book records, or forging signatures for the purpose of academic advantage.

5. Any unauthorized use, online posting, distribution, publication, or sale of course material is strictly prohibited. Students are prohibited from photographing, dictating, copying, emailing, or otherwise reproducing faculty materials or student work without permission from the NCOL CoE.

c. The determination that a student has engaged in academic dishonesty shall be based on specific evidence provided by the classroom facilitator or other supervisor, taking into consideration written materials, observation, or information from others. Students found to have engaged in academic dishonesty shall be subject to disciplinary as well as academic penalties.

4-10. RE-ENROLLMENT POLICY:

a. Soldiers dis-enrolled from BLC for disciplinary or motivational reasons will not be eligible for further NCOPDS training for a period of 6 months. Soldiers dismissed from BLC for academic deficiency may apply to reenter and be re-scheduled for the course when both the unit commander and the learner or Soldier determine that they are prepared to complete the course.

b. Soldiers may be released from the course without prejudice for illness, injury, compassionate, or other reasons beyond the student's control. This requires a written notice informing the unit that the Soldier may re-enroll as soon as the reason for disenrollment or dismissal is overcome.

c. Soldiers previously dismissed from BLC and allowed to re-enroll must start the course from the beginning.

4-11. INSPECTIONS:

a. **Personnel:** Squad Leaders will be responsible for monitoring Soldiers throughout the day for personal appearance and uniform deficiencies.

b. **Barracks:** The course SFACs will conduct a daily health and welfare inspection in the barracks. Students are encouraged to maintain a high standard while attending the Academy (see Appendix D).

1. Bunk areas are kept clean at all times. Floors are swept and mopped daily. There will be no trash in the trash can.

2. Student wall lockers should be clean and orderly. Nothing of high value is kept in the lockers. Lockers will remain locked at all times.

4-12. Maintenance and Services:

The 1st BN (NCOA), 199th Regiment Facility Engineer (FE) Section at Camp Cook has operational oversight for all repairs and maintenance requests received within the battalion. Individual staff members are responsible for vetting maintenance requests they turn in. Individual steps to this process are outlined below.

(a) When BLC student leadership is made aware of or identifies any maintenance related deficiencies within the billets, laundry facility, MWR buildings, or any BLC common area on Camp Cook it will be brought to the attention of the facilitators during the morning building inspection. If the deficiency is found after duty hours and cannot wait until morning, the information is brought to the student leadership who contacts the Staff Duty NCO.

(b) Upon notification of a deficiency, the staff member then fills out FE Form 1-D detailing the issue that needs to be addressed. After the form is complete, a copy is submitted to the FE Manager at Camp Cook via hard copy or email.

(c) Once the request is approved, it is prioritized and assigned accordingly by the FE Manager. Service orders are recorded and assigned a service order number by numerical sequence. Approved service order information is entered into the Automated Service Order System. The FE manager maintains a tracking log of work requests, actions due and a status of the repair.

(d) If the repair is something that can be handled by the 1st BN FE staff, then the actions are completed and the tracking log is updated as appropriate. If the repair is beyond the capabilities of the FE staff then the work order is elevated to the FE section of Camp Beauregard proper for completing the task.

(e) Once the repair is complete, the originator of the maintenance request will be notified of the completed action by the FE manager. The assigned BLC student 1SG and PSGs will receive a work order status update from the SFAC during their daily meeting. All maintenance issues are briefed weekly to the command group during the staff meeting. This is the forum used for issues that are being worked so that all elements of the 199th have situational awareness on the status of the major requests as well as allowing the command group to maintain visibility.

 4. Must be eligible for the commandant's list
 5. Have the second highest overall academic grade point average (GPA).
 6. Have no adverse developmental counseling.
- e. Iron Warrior: There is only one Iron Warrior award recipient. This graduate is the student with the highest overall score on the APFT. The recipient must score 90 points or higher in all three events.

5-2. DISMISSALS:

a. **Administrative:** Administrative release from BLC is reviewed by the Chief of Training and Deputy Commandant on a case-by-case basis and determined by the Commandant based on the Chief of Training's recommendations. Reasons for release include compassionate, emergencies, unit recall or other reasons beyond the control of the student. Administrative releases are not adverse in nature. Released students may return to the course as soon as the condition is resolved.

b. **Medical:** Medical release is a type of administrative release and is reviewed by the Chief of Training and Deputy Commandant on a case-by-case basis.

The Deputy Commandant determines the release based on the recommendation of the Chief of Training. Reasons for a medical release include injury or illness resulting in delay and/or loss of training time, or being prohibited from participating in any required training. Medical releases are not adverse in nature. Released students may return to the course as soon as the condition is resolved.

c. **Academic:** Academic release is based upon failure to achieve a passing score on any assessment within two attempts. A Soldier released for academic reasons may re-enter the course when both the unit commander and the Commandant determine that the student is prepared to successfully complete the course. Students released for academic reasons receive an AER with adverse comments.

d. **APFT:** Students attending BLC will be administered the APFT on Day 2. Successful completion of the APFT is a mandatory course requirement. One APFT retest will be allowed. It will be administered no earlier than seven days after the initial failure of the APFT. Students who subsequently fail the physical fitness standards will be removed from the course. A Soldier released for APFT failure may re-enter the course when both the unit commander and the student determine that they are prepared to successfully complete the course.

e. **Height and Weight:** Students attending BLC will be administered height and weight screening as a mandatory course requirement on Day 0. One height and weight re-screening is administered no earlier than seven days after initial failure to meet body composition standards. Students who subsequently fail to meet body composition will be removed from the course. A Soldier released for non-compliance with AR 600-9 may re-enter the course when both the unit commander and the student determine that they are prepared to successfully complete the course.

f. **Disciplinary:** Disciplinary releases are reviewed by the Chief of Training on a case-by-case basis and are considered adverse in nature. The Deputy Commandant will determine release from the course. Students released for disciplinary reasons are not allowed to return to any NCOPDS Course for a period of six months. Additionally, Disciplinary releases include (but are not limited to):

- Violations of academy policies or Army regulations
- Lack of self-discipline or motivation
- Conviction under the provisions of the Uniform Code of Military Justice (UCMJ) or conviction in civilian court (except for minor traffic violations)
- Violations of the Student Honor Code System or Army Ethical Standards
- Any conduct unbecoming of a Noncommissioned Officer
- Absent from appointed place of duty, i.e. formation/classes etc.
- A Student receiving excessive adverse counseling is considered a habitual offender and recommended for release from the course.
- Any unsafe action that endangers self or another student, resulting in an injury or illness and/or loss of training time.
- Other reasons as determined by the Chief of Training

5-3. APPEALS PROCESS:

Any student released from the course has a right to an appeal. An appeal is a written request to the Commandant to reconsider the decision to release the student from training. The appeals process is outlined to the student in the event they are dismissed early from the course.

5-4. RETURNING AFTER BEING RELEASED:

Soldiers dis-enrolled from BLC for disciplinary or motivational reasons will not be eligible for further NCOPDS training for a period of 6 months. You are subject to your unit's discretion as to when or if you will return to the academy to complete the course. This academy does not control whether or not your return to training. You will have to be reentered on your unit's order of merit list. Soldiers dismissed during the course are required to start from the beginning of the course.

CHAPTER 6 GRADUATION

6-1. OUT PROCESSING AND GRADUATION:

a. Graduation: Upon satisfactory completion of the BLC, a graduation ceremony is held to recognize those students who have successfully met all course requirements. Upon graduation, each student receives as a minimum:

1. Academic Evaluation Report (DA Form 1059)
2. Certificate of Graduation
3. Addendum packet from their Facilitator

b. Graduations are held in the Post Theater (Bldg 720) at Camp Beauregard. The ceremony begins at 1500. It is the student's responsibility to notify their unit as to the time and place of their graduation. Students should encourage family and friends to arrive at least 15 minutes early.

c. Out-processing:

1. Students will inventory and turn in any equipment received from S-4 or their FAC. Students will be charged for all damaged or missing items. Students will receive their hand-receipt after being cleared or receiving a statement of charges.
2. Students will clean all Academy areas to standard prior to being released. This includes (but not limited to) barracks, classrooms, latrines, laundry rooms, outside areas, and police call areas.
3. Following barracks clearance by the Senior Facilitators the student will be provided with their DA Form 1059 and graduation certificate.

NOTE: Equipment drawn from the Academy supply room will be cleaned and returned to the supply room prior to graduation. Barracks, classrooms, and common areas will be cleaned and inspected prior to release on Day 22.

CREED OF THE NONCOMMISSIONED OFFICER

No one is more professional than I. I am a Noncommissioned Officer, a leader of Soldiers. As a Noncommissioned Officer, I realize that I am a member of a time honored corps, which is known as “the Backbone of the Army.” I am proud of the Corps of Noncommissioned Officers and will at all times conduct myself so as to bring credit upon the Corps, the military service and my country regardless of the situation in which I find myself. I will not use my grade or position to attain pleasure, profit or personal safety.

Competence is my watchword. My two basic responsibilities will always be uppermost in my mind – accomplishment of my mission and the welfare of my Soldiers. I will strive to remain technically and tactically proficient. I am aware of my role as a Noncommissioned Officer. I will fulfill my responsibilities inherent in that role. All Soldiers are entitled to outstanding leadership; I will provide that leadership. I know my Soldiers and I will always place their needs above my own. I will communicate consistently with my Soldiers and never leave them uninformed. I will be fair and impartial when recommending both rewards and punishment.

Officers of my unit will have maximum time to accomplish their duties; they will not have to accomplish mine. I will earn their respect and confidence as well as that of my Soldiers. I will be loyal to those with whom I serve; seniors, peers and subordinates alike. I will exercise initiative by taking appropriate action in the absence of orders. I will not compromise my integrity, nor my moral courage. I will not forget, nor will I allow my comrades to forget that we are professionals, Noncommissioned Officers, leaders!

APPENDIX C

“THE ARMY GOES ROLLING ALONG”

INTRO: March along, sing our song,
with the Army of the free
Count the brave, count the true,
who have fought to victory
We're the Army and proud of our name
We're the Army and proudly proclaim

VERSE: First to fight for the right,
And to build the Nation's might,
And The Army Goes Rolling Along
Proud of all we have done,
Fighting till the battle's won,
And the Army Goes Rolling Along.
