**WHO WE ARE:**

*JCP is a voluntary program that target youth who are at risk of not completing high school. We provide an environment for youth so they may focus on completing academic goals while enhancing personal strengths and resiliency. Our program provides a structured environment and teaches discipline, self-control and motivation. We develop the whole person by focusing on 8 core components that support each cadet's personal development: academic excellence, life coping skills, job skills training, responsible citizenship, leader/followership, health & hygiene, physical fitness and service to community.*

**POSITION DESCRIPTION:**

Provide medical care to Trainees enrolled in the JCP Program under the supervision of a Registered Nurse and following orders and guidelines of the Medical Doctor. Duties include but are not limited to: Treat medical emergencies appropriately as needed for both male and female Trainees. Conduct daily sick call and determine treatment plans within time constraints. Maintain medical records, order, pack and dispense medications accurately. Communicate with parents and pharmacy as needed to ensure medication is available to the trainees. Provide transportation and assistance to ER and medical/dental appointments as necessary. Administer vaccines and enter data into the LINKS system in a timely manner. Ability to provide in-service training to trainees/staff on request as necessary. Perform maintenance duties of the dispensary as needed to maintain a clean and neat environment and restock supplies as necessary. Complete all appropriate documentation in a timely manner. Maintain an open line of communication with other departments while following the chain of command. Participate in at least one community service and one Family Day event per cycle. Be flexible and able to adapt to new situations while being responsible, self-motivated and able to work independently without direct supervision. Required to work alternating weekends as necessary and participate in the weekend call rotation. Be flexible in working overtime, when necessary, at least three times during the cycle. Monitor the vaccines refrigerator to maintain a controlled temperature and take appropriate action if needed. Be familiar with PPE equipment, where it is located and when and how to use it properly. Hazards of the position include possible exposure to contagious diseases, possible contact with blood or body fluids and/or contaminated equipment. Perform other duties as assigned.

**POSITION QUALIFICATIONS:**
